

Project Betzalel

[3 syll. bet-za-lel, be-tzal-el]

In the tradition of Betzalel noted craftsman singled out by God to build and embellish the desert tabernacle in our people's exodus from Egypt. Holy Blossom Temple Sisterhood invites all of its homegrown artisans to participate in Project Betzalel. This new initiative aims at showcasing the work of selected Holy Blossom Temple artisans and introducing them to our sacred community through the Sisterhood Judaica shop.

If you would like more information about Project Betzalel and ways you can contribute and participate.

Contact: sisterhood@holyblossom.org

Please visit the Judaica Shop to purchase any of these items and more! Starting the grand opening evening on September 16th.

OUR FIRST FEATURED ARTIST! LOREN KAPLAN

I have been a practicing professional ceramic artist and teacher since the mid 90's in South Africa and moved to Toronto in 2013. I make vessels because containers are about potential. My focus is on the space-in-between; defined spaces of emptiness making room for something to be held.
